Granting powers of attorney and issuing instructions to proxies of the company

As a special service, the company offers shareholders, who have duly provided proof of share ownership to participate in the virtual Annual General Meeting and exercise their voting rights, the possibility of granting powers of attorney to proxies who have been appointed by the company and are bound by instructions. If you wish to use the proxy form for this purpose, the completed form must be sent to the above postal or e-mail address and, for technical and organisational reasons, arrive at this address by **24 May 2022, 5.00 p.m. CEST (date of receipt)**. Before and during the Annual General Meeting, you may also use the company's AGM portal, which can be accessed at <https://www.knaustabbert.de/agm> to exercise your voting rights via authorised company proxies. Proxies can be authorised via the AGM portal until the beginning of voting on the day of the Annual General Meeting. The button "Power of attorney and instructions" is provided for this purpose in the AGM portal. You can also access the AGM portal to change or revoke any previously issued powers of attorney and instructions in the course of the Annual General Meeting up to the beginning of voting.

Proxies may only vote on those items of the agenda on which they have been given express instructions for the exercise of shareholders' voting rights. They are obliged to vote in accordance with the instructions issued to them. Without express instructions, proxies cannot exercise the power of attorney granted to them. Please note that proxies shall not accept any requests to file objections against resolutions of the Annual General Meeting, submit questions or bring forward motions.

Granting powers of attorney to third parties

Shareholders who have duly provided proof of share ownership to participate in the virtual Annual General Meeting and exercise their voting rights may also grant a (sub-) power of attorney to a third party. Authorised representatives, with the exception of proxies appointed by the company, are not permitted to be physically present at the Annual General Meeting. They may only exercise the voting rights of shareholders they represent by way of postal ballot or by granting a (sub-)power of attorney to proxies of the company. We therefore kindly ask you to pass on your access data for the AGM portal to your authorised representative.

Revocation

Shareholders may also revoke any powers of attorney previously granted. For this, please send the completed proxy form to the above postal or e-mail address. For technical and organisational reasons, the revocation of a previously granted power of attorney must arrive at the postal or e-mail address provided by **midnight (CEST) on 24 May 2022 (date of receipt)**. Revocations may also be submitted by the aforementioned date via the company's AGM portal on the company website at <https://www.knaustabbert.de/agm>
